SENIOR CLASS HISTORY

The Senior Class of 1941 is about to bid farewell to Kempton High School. As commencement approaches our thoughts turn back to that day in September, 1937, when thirteen Freshmen wandered forlornly about the building that was to be our home for the next four years.
We elected the class officers as follows:- President, Lloyd Earing; Vice-President, Betty Eggenberger; Secretary, Leota DeMoure; Treasurer Leon Olson. The class sponsor was Mr. Blubaum.

We were determined to set high standards in scholarship, athletics, and music. Whether we have succeeded, the records will have to show. The feature event of the year was our Initiation which we had anticipated so fearfully.

When we resumed our studies in the fall of 1938 we had lost Alvin Masching, Delbert Holm, and Leota DeMoure. But Raymond Schildt had joined our forces. Our class officers that year were; Betty Eggenberger, President; Wanda Nelson Vice President; Eileen Foley, Secretary and Treasurer. Our Class sponsor was Mr. Farnsworth. This time it was our turn to play host at the Initiation Party. Remembering our own experience last year we tried not to be too hard on them.

When we were summoned back in the fall of 1939 our ranks had been increased by the addition of Paticia Cloonen, Imá Jean Snyder, Helen Frantz, and Louis Unfer, Jr., but we had lost leslie Howard. Our class officers were; President, Wanda Nelson; Vice President, Louis Unfer Jr.; Secretary, Eileen Foley; and Treasurer, Patricia Cloonen. Our Junior Play and Banquet given by the Seniors occupied many happy moments.

Now our time is drawing to a close. Edna Bailey was forced to withdraw, but Maurice Fenton and Joe Fraher swelled our number. The Class officers are:President Joe Fraher; Vice President, Leon Olson; Secretary, Louis Unfer Jr.; Treasurer, Maurice Fenton.

The Senior Play, our Banquet, Baccalaureate, and Commencement have made our days busy ones. For our Class Colors, we have chosen, Purple and Gold; our Class Flower, the Gardenia; and the Class Motto " Today we follow, Tomorrow we lead. "

It is our fervent hope that we can fulfill not only our motto, but all that is expected of us.

During the past four years the Seniors have carried on the following activities.

FUTURE FARMERS OF AMERICA
KEMPTON CHAPTER

FUTURE FARMERS

The Future Farmers of America is an organization of farm boys for the purpose of promoting vocational agriculture in their high school, creating an interest in farming as an occupation and providing recreational and educational entertainment.

During the school year the Kempton F. F. A. participated in several activities. Several new "Green Hands" were initiated into the local chapter this year. The second annual Father and Son Banquet was held February 25th. The Home Economics girls served the Banquet. An interesting film "The Green Hand" was shown. In order to raise money for the Chapter, a turkey was raffled off before Thanksgiving and also sold garden seed. Other activities that the local Chapter will participate in this year are the spring judging contests and the State Contest in June.

OFFICERS

Jack Jacob	President
Maxwell Bute	Vice president
Dale Gish	Secretary
Donald Wright	Treasurer
Raymond Schildt	Reporter
Maurice Fenton	Watch Dog
Mr. Sloan	Advisor.

Other members of the Chapter are; Donald Pefferman, Eugene Earing, Lloyd Earing, Claire Dally, Roy Brace, Bill Busse, Paul Donley, Lamar Moore, James Morgan, and William O'Keefe.

FUTURE FARMERS CREED

To practice Brotherhood, honor rural opportunities and responsibilities, and develop those qualities of leadership which a Future Farmer should possess.

HOME ECONOMICS CLUB

The symbol used for our association is the design of a small oil burning lamp of the type often called the Betty Lamp. It is usually rather crude in construction. In the early days in this country these little portable Betty lamps were used by housewives wherever a bit of light was needed for their house work. The oil is held in the base, which consists of a flat-bottomed dish or bowl usually with a flat adjustable cover; the wick floats in the oil, with its "business end" protruding through a hole in the cover. There is an upright handle which may be shaped both for carrying the lamp and hooking it on the edge of a shelf or a nail.

Our Home Economics Club is one of the many affiliated with the State group. Through our associations we are able to attend the annual meetings held for the benefit of the teachers and club members. In the fall of this year, Elaine Dowse represented our Club at Springfield.

At the first meeting of our club this year, we elected the following officers.

President . . . . .Shirley Korlaske
Vice President . Patricia Cloonen
Secretary . . . . . Rita Zeller
Treasurer . . . . . .Helen Frantz

The meetings have consisted of short programs, health talks, initiations, and educational talks.

The club entertained their Mothers at a lovely banquet on March the eighteenth. The decorations were in keeping with St. Patrick's Day which occurred the previous day.

The Home Economics Club has twenty five members, all four years represented.

KEMPTON HIGH SCHOOL BASKETBALL

The 1940 - 41 basketball season for the Kempton High school was a notable success. The team won 12 out of 20 regular games on its schedule. The boys played some of the best teams in this region and were nearly always outsized.

The highlight of the entire season was the one point defeat at the hands of Cullom High School, the team that later won the Piper City District and became the runner-up at the Dwight Regional.

The Varsity letter-winners were:- Jack Jacob, Raymond Schildt, Louis Unfer, Jr., Bill Busse, Dale Gish, Donald Pefferman, Donald Wright, Eugene Earing, and Clayton Marks.

Minor letter-winners included Leon Olson, Claire Dally, Orville Kelly, Keith Wilson, Paul Donley, and Floyd Gooding.

BASEBALL

Graduation depleted the ranks of the baseball team, however it was decided to carry on with what was left of last year's team, and with what new material could be picked up among the new-comers.

A fall schedule was played in which the following boys took part:- Raymond Schildt, pitcher; Dale Gish, catcher; Bill Busse, first-base; Louis Unfer, Jr., second-base; Clayton Marks, short-stop; Donald Pefferman, third-base; Dwaine Cook, Floyd Gooding, Donald Wright, and Keith Wilson, outfielders.

A number of games will be played after the track season has been closed this spring.

TRACK

Track is still a new sport at the Kempton High School. However, a dozen boys worked faithfully without benefit of a track or much equipment. The following boys comprised the squad. Keith Wilson, Relay; Claire Dally, Mile; Julian Rose, 880yd; Dale Gish, High Jump, Relay; Donald Pefferman, High Jump; Eugene Earing, 440 yd., 880 yd., Relay; Bill Busse, Discus, High Jump, Relay; Clayton Marks, 100 yd., 220 yd., Broad Jump, Relay; Bill Flesher, 100 yd., 220 yd., Relay; Louis Unfer, Jr., Pole Vault, 440 yd., Relay.

G. A. A.

The Girl's Athletic Association this year was made up of about thirty girls. These girls must have a physical examination before they can be initiated into G. A.A.

At the first meeting we elected the officers as follows:

President . . . . . Eileen Foley
Secretary . . . . . Lillian Shapland
Treasurer . . . . . Margery Farley

This year our activities have consisted of volleyball, soft ball, basketball, and dancing.

Twenty five girls participated in the telegraphic basketball tournament which was held on March fifth.

We are happy to say that our club was well represented at the Kankakee Play Day in the early fall.

OBJECT

The object of the Girl's Athletic Association is to stimulate interest in Girl's Athletics and gymnastics and to standardize and promote ideals of health and sportsmanship.
